The Tauber Institute Series is dedicated to publishing compelling and innovative approaches to the study of modern European Jewish history, thought, culture, and society. The series features scholarly works related to the Enlightenment, modern Judaism and the struggle for emancipation, the rise of nationalism and the spread of antisemitism, the Holocaust and its aftermath, as well as the contemporary Jewish experience. The series is published under the auspices of the Tauber Institute for the Study of European Jewry—established by a gift to Brandeis University from Dr. Laszlo N. Tauber—and is supported, in part, by the Tauber Foundation and the Valya and Robert Shapiro Endowment.
